The deer and his image

A deer told himself every day, "I am the most handsome deer in the forest. My large **chest** is a symbol of my power. And my beautiful horns **impress** other animals."

But he did not like his legs and hooves*. "My legs are **narrow** and my hooves are ugly. They do not **satisfy** me.".

One day, the deer saw a big dog. The deer made some noise and **disturbed** the dog. The dog woke up and chased him. The deer felt **terror**. He **screamed**. He did not want to be a **victim**, so he ran into the forest. His strong legs helped him run fast. His **pale** brown hooves were hard, so they were not **sensitive** to **rough** rocks. However, his horns got caught in branches, slowing him down. His large chest could not fit between thick trees.

The deer **estimated** that he ran for an hour. He felt like he was running a **marathon**. In the end, the deer escaped the **treat** of the dog. He sat in the **shade** of a tree. "That was almost a **disaster**! I almost did not escape because of my chest and my horns. My legs and hooves saved me". As a **consequence**, the deer learned to **honor** his fast legs and have **confidence** in his strong hooves. "Pretty things only **supplement** important things", he thought.

*Hooves: the feet of animals, like deer and horses.
