

## Uncle Sam's Farm

Welcome to Uncle Sam's farm! Uncle Sam has 10 chickens, 10 ducks, and 15 cows. The cows are big and brown in colour. Uncle Sam also has 20 goats and 45 sheep. He has black and white goats. The sheep are all white and fat. He also has a horse and he names it Henry.

Uncle Sam makes cheese with the cows' milk. He hates the mice when the mice eat his cheese. He chases the mice away angrily. He takes good care of his farm. He also takes care of his farm animals from the wolves.

Read the text above carefully. Choose True or False for each statements below correctly. Click on the correct answers.
