

Speaking

1 Look at the picture. How many questions can you make in three minutes? You get one point for each question!

2 Work in pairs. Ask and answer your questions from Ex. 1.

skill tip

Remember to speak clearly. When you don't understand, ask, 'Can you repeat the question, please?' or 'Can you say that again, please?'

3 Work in pairs. Read the useful language and answer the questions.

1. Where were you ten minutes ago?
2. Were you at school at 7 a.m.?
3. What did you do last summer?
4. Were you at this school two years ago?
5. Did you have an exam yesterday?

year/summer

ten minutes ago

an hour ago

a week ago

two years ago

- 4 What do you remember about the first day at your school?
- 5 Listen to Jake talking about his first day at school. What did he think of it?
- 6 Listen again and complete the questions.

1. _____ was it today?
2. _____ did you go with?
3. _____ subjects did you have?
4. _____ did you eat lunch?
5. _____ did that cost?

Speak up

- 7 What can you do to help a new student on their first day at school? Think of three ideas and tell the rest of the class?
