Hot N' Cold – Katy Perry

1) Match the beginnings to the endings

You
Like a girl
Yeah you,
Like a bitch
And you
Always speak
I should know

PMS
I would know
always think
change your mind
that you're no good for me
changes clothes
cryptically

CHORUS: 2) Write the missing words

Cause you're _____ then you're _____
You're _____ then you're _____
You're _____ and you're _____
You're _____ and you're _____
You're _____ when it's _____
It's _____ and it's _____
We fight, we break up
We kiss, we make up

You, You don't really want to stay, no
You, but you don't really want to go-o
You're _____ then you're _____
You're _____ then you're _____
You're _____ and you're _____
You're _____ and you're _____

3) Order the sentences

- () Now's a dead battery
- () We used to be
- () Now you're plain boring
- () Used to laugh about nothing
- () So in sync
- () Just like twins
- () The same energy

I should know that
you're not gonna change

{CHORUS}

4) Choose the right word

Someone call the **doctor / tractor**
Got a case of a love bi-polar
Stuck on a roller coaster
Can't get off this ride
You change your mind
Like a girl changes **clones / clothes**
