OK, I'm going to tell you the top ten tourist \_\_\_\_\_ in the world. The top country is a European country - can you guess which? To take it more \_\_\_\_\_ for you I'm going to start at the \_\_\_\_\_ with the tenth place, where we have \_\_\_\_\_. which had a total of \_\_\_\_\_ million tourist visitors last year. In ninth place, we have Canada which had \_\_\_\_\_ million visitors. Then there are two countries together in seventh place, Mexico and \_\_\_\_\_. both with \_\_\_\_\_ million. The sixth place comes the United Kingdom with \_\_\_\_\_ million Visitors. Then in fifth place, and the highest Asian country - any ideas which one? (Japan?) No, not \_\_\_\_\_. It's China with \_\_\_\_\_. In fourth place. we have Italy, \_\_\_\_\_: third is Spain with \_\_\_\_\_. Which leaves the top two: the United States in the silver medal position, if you like, with \_\_\_\_\_ million. And top of the charts. by a long way, is ... \_\_\_\_\_ with \_\_\_\_\_ million tourist visitors. Did anyone guess right?
