Hi, I am Sarah and this is my father, Encik Azmi. Many people have role models or people they look up to in their lives. My father is my role model.

My father is a doctor. He always works diligently at the hospital. Sometimes he comes home late at night. I could see that he is tired. He would just smile \_\_\_\_\_ and tell me to study hard and get enough rest. He never complains that he is tired, and he always does his work \_\_\_\_\_ and \_\_\_\_\_.

I would love to be like my father because he is a nice person. I often see him \_\_\_\_\_ helping sick people. They would \_\_\_\_\_ thank him for his kindness.

I hope that I can \_\_\_\_\_ be like him when I grow up. He is my ultimate inspiration!
