

What will Lulu do this August?

My name is Lulu and I am 11 years old. This August I will do many fun things. First, I will go to a small waterfall and have a picnic (野餐). Second, I will go to my grandma's farm and feed some chickens. I will ride my bike every day in nature (在自然界). I will also eat mangoes every day. This will be a fun August.

1. Will Lulu do many fun things in August?

2. What will Lulu do first?

3. What will Lulu do second?

4. Will she go to her grandpa's farm?

5. What will she do at her grandma's farm?

6. What will she do every day?

7. What will she eat every day?
