

Well, you only need the light when it's 1..... low  
Only miss the sun when it 2..... to snow  
Only know you love her when you let her go  
Only know you've been 3..... when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go  
And you let her go

4..... at the bottom of your glass  
Hoping one day you'll make a 5 .....last  
But dreams come slow, and they go so fast  
You see her when you 6..... your eyes  
Maybe one day, you'll understand why  
Everything you touch 7..... dies

(Chorus)  
Staring at the 8..... in the dark  
Same old empty feeling in your 9.....

'Cause love comes slow, and it goes so fast  
Well, you see her when you fall asleep  
But never to touch and never to keep  
'Cause you loved her too much, and you 10..... too  
deep
