**Hi Isabelle,**

Thanks for your email and the photo. I really like your house! Now I want to tell you about mine.

I live with my parents and my three brothers. We've got a big house in a small village. There isn't a butcher's or a baker's in the village, but we've got a sweet shop. When we want to go shopping, we go to town. There's a bus stop in front of my house, and there's one bus every hour.

Our house has a big kitchen, a living room, two bathrooms and four bedrooms. There's a table and some chairs in the kitchen, so we usually eat there. In the living room, there are three sofas because we like watching TV together.

I've got my own room and I really like it! It's got a big window, and my desk is under the window. My bed is opposite the desk, and I've got a lot of photos of my friends on the wall. There's also a big wardrobe.

I hope you can come and visit me one day!

Love,

Lola
