INSTRUCCIONS

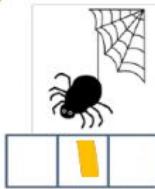

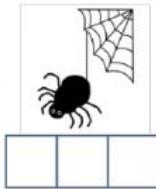

OBJECTIU GENERAL:

Millorar o desenvolupar la consciència sil·làbica. A través de la consciència sil·làbica es pretén que l'infant siga capaç d'entendre que les paraules estan formades per sil·labes i adquirir d'aquesta forma habilitats que li permeten segmentar paraules en sil·labes, així com ordenar sil·labes per formar paraules.
