

homework

1 Read and complete the dialogue.

~~animals~~ kangaroos faster crocodiles taller giraffes

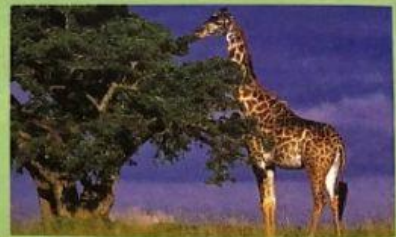

Hi, Laura. I love ¹ animals, too! I collect animal cards.

What kind of animals do you like?

I really like ² giraffes. They live in lakes and rivers. But I think my favourite animals are ³ crocodiles. You know, they're ⁴ faster than all the other animals.

I prefer ⁵ kangaroos. They live in Australia. They're very fast, but lions are ⁶ taller than kangaroos.

2 Read and complete using the correct form of the adjectives.

capuchin

howler monkey

Capuchins and howler monkeys

Capuchins and howler monkeys live in Central and South America. How are they different?

- A capuchin is ¹ smaller than (small) a howler monkey.
- A howler monkey is ² noisier (noisy) a capuchin.
- A howler monkey's tail is ³ stronger (strong) a capuchin's tail.
- A capuchin is ⁴ better at learning things (good at learning things) a howler monkey.
