"Kingston isn't a beautiful city, but it's very busy and interesting. There are lots of people, lots of cafés, and there's reggae music everywhere! There are some beautiful places near Kingston – the Blue Mountains – and some beautiful beaches. It's a fantastic place!"

Nikita Aziz is a student at the University of Kingston, near London.

Kingston-upon-Thames, England (population 150,000)

"Kingston's a very busy town. There are a lot of shops and cars, and there's a university with students from all over the world! But it's a nice place – there's an old market square, and we're near the River Thames. There are some beautiful parks too."

Gavin Watt is a taxi driver from Kingston, New Zealand.

Kingston, New Zealand (population 2,000)

"Kingston's a small town near Lake Wakatipu in the mountains. It's in a really beautiful place, but it's very quiet – there's only one school, one bank and one small supermarket! There's a famous old train here too, and some restaurants for the tourists."
