

ENDANGERED ANIMALS

Endangered animals

- 1  41 Look at the pictures and read and listen to the text. Do you know any other endangered animals?

Some wild animals are endangered. "Endangered" means that there aren't many of them in the wild and their future isn't certain. Sometimes this is for natural reasons. Sometimes it's because of human activity.

American alligator

coral snake

panda

tiger

- 2  42 Listen and complete the sentences.
