Village Flooded After Storm

Taiping: Kampung Cempaka was flooded after a heavy thunderstorm (0) who lasted for six hours last night. Heavy rain lashed the village as strong winds uprooted many trees. Several roofs were also blown off in the storm. A mining pool bund was found (1) damage and muddy water gushed into the houses in the village. 500 residents had to quickly evacuate (2) our homes and move to higher ground. Some villagers managed to salvage their belongings (3) but important documents. Luckily, no lives were (4) lose in the flood.

According to a resident, this was the first time the houses (5) has been so badly affected by the flood. The resident added that the village was flooded about two (6) year ago. This time though the flood was worse. It is quite common for the houses in Kampung Cempaka to be flooded after (7) an heavy downpour. This (8) are because the houses are located in a low-lying area. The residents have been urged to shift to a new area nearby.
