**You know you can call me if you need anyone / someone  
I'll pick up the pieces / places if you come undone  
Painting cars / stars up on your ceiling 'cause you  
Wish that you can / could find some feeling, yeah, you  
You know you can call me if you need someone**

**I need you to hold on  
Heaven is a place not too nest / far away  
We all know I should / shall be the one  
To say we all make mistakes (we all make mistakes)  
Sake / Take my hand and hold on  
Tell me everything that / the you need to say  
'Cause I know how it feels to be / being someone  
Feels to be someone who loses their way**

**You're looking for / four answers in a place unknown  
You need the connection but / bat  
you can't get close (can't get close)**
