Subject : What's up!

Hi Charles,

How are you? I'm sitting in my bedroom at the moment and I'm ( do / does / doing ) my homework. Our Maths teacher always ( give / gives / giving ) us homework on Mondays and I normally ( finish / finishes / finishing ) it by Thursday. But there's one good thing – we usually don't ( have / has / had ) homework at the weekend! Do your teacher often ( give / gave / gives ) you a lot of homework at the weekend? I'm ( work / working / works ) on a really difficult question now! My brother usually ( helps / help / helping ) me. But he is ( playing / play / plays ) a computer game with his friend at the moment and he is not ( answer / answers / answering ) any of my questions! What are you ( doing / do / does ) now? Perhaps you can help me! Are you good at maths?

Answer soon!
