

# Let It Go

The  glows  
white on the  
mountain tonight  
Not a footprint to be

A kingdom of  
isolation  
And it looks like I'm  
the

The wind is  
howling like this  
swirling storm

Couldn't keep it in, heaven knows I've  
tried

Don't let them in,  
don't let them see  
Be the good   
you always have  
to

Conceal, don't  
feel, don't let them

Well, now they  
know

Let it go,  it go  
Can't hold  back  
anymore

Let it , let it go

Turn away and  
slam the   
I don't care what  
they're going to  
say

Let the storm rage  
on  
The  never  
bothered me  
anyway

It's funny how  
some distance  
makes everything  
seem

And the fears that  
once controlled  
me  get to me  
at all

It's time to see  
what I can do  
To  the limits  
and break through

No right,   
wrong, no rules  
for me  
I'm

Let it go, let it go  
I am one with the  
wind and sky

Let it go, let it go  
You'll never see  
me

Here I stand and  
here I stay  
Let the storm rage  
on

My power flurries  
through the air  
into the ground

My  is  
spiraling in frozen  
fractals all around  
And one thought  
crystallizes like an  
icy blast

I'm never going  
back, the past is  
in the

Let it go, let it go  
When I'll rise like  
the break of dawn

Let it go, let it go  
That  girl is  
gone  
Here I stand in the  
light of day  
Let the storm rage  
on  
The cold never  
bothered me
