

# Let It Go

The  glows  
white on the  
mountain tonight  
Not a footprint to be  
  
A kingdom of  
isolation  
And it looks like I'm  
the

The wind is  
howling like this  
swirling storm

Couldn't keep it in, heaven knows I've  
tried  
Don't let them in, don't let them see  
Be the good  you always have  
to   
Conceal, don't feel, don't let them  
  
Well, now they know  
Let it go,  it go  
Can't hold  back anymore

Let it , let it go  
Turn away and slam the   
I don't care what they're going to  
say  
Let the storm rage on  
The  never bothered me  
anyway

It's funny how some distance  
makes everything seem   
And the fears that once controlled  
me  get to me at all  
It's time to see what I can do  
To  the limits and break through  
No right,  wrong, no rules  
for me  
I'm

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me   
Here I stand and here I stay  
Let the storm rage on

My power flurries through the air  
into the ground  
My  is spiraling in frozen  
fractals all around  
And one thought crystallizes like an  
icy blast  
I'm never going back, the past is  
in the

Let it go, let it go  
When I'll rise like the break of dawn

Let it go, let it go  
That  girl is gone  
Here I stand in the light of day  
Let the storm rage on  
The cold never bothered me
