

Danny's Holiday in Vancouver

My summer holidays are often a little boring, but my summer holiday last year was great – my family and I got onto an airplane and flew to Vancouver! It was our first time to visit Canada. We got up very early almost every day and did lots of really fun and interesting things. On our first day, we visited Stanley Park and the Vancouver Art Gallery. Later in the week, we visited some museums and then got on a special boat to watch whales. It was fantastic! I took lots of photos. Of course, we also visited our cousins who live in Vancouver. One evening, they had a barbeque and we ate at their home. After we finished our food, we invited them to come to our home one day. Unfortunately, we didn't swim in the ocean because the water was too cold, but we did do many other fun things. Finally, after two weeks, before we left Vancouver, my family and I went shopping and bought lots of souvenirs to help us remember our time in Canada. Because Canada is a big country, my mom and dad are planning visit some other parts of Canada next summer holiday. We are thinking of staying longer time.
