▶ **Arahan tugas:**

Tuliskan semula 10 nama malaikat seperti contoh yang diberi.

A diagram showing the 10 names of angels arranged in a grid, identical to the one above, but with empty boxes for writing. The names are: Jibril (red), Atid (red), Izrail (yellow), Mikail (blue), Raqib (black), Israfil (yellow), Ridhwan (green), Nakir (green), Malik (yellow), and Munkar (purple). The names are connected by lines: Jibril to Atid, Atid to Izrail, Mikail to Raqib, Raqib to Israfil, Ridhwan to Nakir, Nakir to Malik, Malik to Munkar, and Munkar to Nakir. To the right of the grid, the text "10 malaikat kita hafal namanya." is written in red.
