

A) Read the story. Choose "True" or "False"

One Sunday morning, Angela had a terrible headache. Her mom took her temperature, she was very hot. The next day her friends went to her house to say hello and gave her some gifts: a doll, a cake, and a beautiful photograph of them. She was very happy, but she went to sleep because she was very sick, she had a cough too!. The doctor came and gave her some medicine. Then she started to feel better, but she stayed at home all week to get recovered.
