

Blue Jeans --- Lana Del Rey

Blue jeans, white shirt

Walked into the room, you know you made my eyes _____

It was like James Dean, for sure

You're so fresh to death and sick as ca- _____

You were sorta _____ rock, I grew up on hip hop

But you fit me better than my favorite sweater, and I know

That love is mean (oh oh) and love hurts (oh oh)

But I still remember that day we met in December, oh baby

*** I will love you 'til the end of time**

I would wait a million years

_____ you'll remember that you're mine

Baby, can you _____ through the tears?

Love you more

Than those bitches before

Say you'll remember (oh baby) say you'll remember, oh baby ooh

I will love you 'til the end of time

Big dreams, _____

Said you had to leave to start your life over

I was like, "No please, stay here"

We don't need no money, we can make it all work

But he _____ out on Sunday, said he'd come home Monday

I stayed up waiting, _____ and _____ but he was

Chasing (oh oh) paper (oh oh)

Caught up in the game, that was the last I heard

*

You went out every night

And baby that's alright

I told you that no matter what you did, I'd be by your side

see

promise

pacing

punk

cancer

sit

gangster

headed

stole

'Cause I'm a ride or die
Whether you fail or fly
Well, shit, at least you tried
But when you walked out that door, a piece of me died
Told you I wanted more, that's not what I had in mind
Just want it like before
We were dancing all night
Then they took you away, _____ you out of my life
You just need to remember
