Zippy – the clever giraffe!

This is a new TV programme about a giraffe that goes to school. His name is Zippy and he lives with his parents and three brothers in a national park in Kenya.

Zippy is very tall and he's yellow and brown. His eyes are blue. He wants to know lots of things. He always goes to school and puts his head in the window and listens to the lessons! He's very good at geography but he isn't very good at maths! He can't write, and he never does his homework. Sometimes he eats the children's lunch, but all the children love him. They bring carrots for him because they're his favourite food.

This programme is the story of his adventures. It's very good!
