FULL AND EMPTY

Watch the video

What are empty and what are full. Drag and drop.

The worksheet features a drag-and-drop activity. On the left side, there are eight baskets arranged in two columns of four. The top-left basket is empty, while the top-right basket is full of flowers. The second row has a basket full of colorful items on the left and an empty basket on the right. The third row has an empty basket on the left and a basket full of green vegetables on the right. The bottom row has a basket full of blueberries on the left and an empty basket on the right. On the right side, there is a large rectangular area with a decorative border. It is divided into two main sections: 'empty' on the left and 'full' on the right. Each section contains four empty rectangular slots. An empty basket is placed in the top slot of the 'empty' section, and a full basket is placed in the top slot of the 'full' section.

Fine Arts

I like counting the cereal

Look at the numbers, count the cereal and put inside of the bowl.
