

I Should Have Known Better

Jim Diamond

love - day - chance - forgive - much -
don't - beautiful - true - who - come - where

*And I should have known better to lie with one as as you.
Yeah, I should have known better to take a on ever losing you.
But I thought you'd understand, can you me?*

*I saw you walking by the other
I know that you saw me, you turned away and I was lost.
You see, I've never loved no one as as you.
I've fooled around but tell me now just is hurting who?
And I should have known better to lie with one as beautiful as you. ...*

*I-I-I-I-I-I-I-I-I-I
should have known better,*

*It's, I took our love for granted all along.
And trying to explain I went wrong, I just don't know.
I cry but tears seem to help me carry on.
Now there is no chance you'll back home, got too much pride.
And I should have known better to lie with one as beautiful as you. ...*

*I-I-I-I-I-I-I-I-I-I you,
I-I-I-I-I-I-I-I-I-I love you.
No-no-no-no-no-no I love you!
No-no-no-no-no-no, yeah!*

And I should have known better to lie with one as beautiful as you.
