**READING** (7x2:14p)

Read the text. Are the sentences True or False?

Dear Julian,

Hi! My name is Lucas and I'm 15 years old. Last weekend I did a lot of things! On Saturday morning I did my English homework. I answered a lot of questions but I didn't study anything! After that, I helped my mum with lunch. We cooked some pasta! It was delicious! Then, we washed the dishes but we didn't sweep the floor because it was clean.

In the afternoon, I listened to music and my sister, Laura, read a book. At 7 p.m. I went to the supermarket with my dad and we bought lots of things. When we arrived home we made some pizzas and we drank lemonade.

Finally, we all watched an action movie. On Sunday, I slept until 12 a.m. .... Yes, I am a bit lazy haha! We had asado for lunch and then ice cream for dessert. We returned home and we used our cell phones to play some games. We went to sleep early because we were tired.

Best wishes!
