The Clothes Show Live

The Clothes Show Live is a live exhibition that takes place twice a year in London and Birmingham. It is an extravaganza of beauty and fashion that attracts thousands of dedicated followers of fashion every year – young and old. Over three days, the latest fashion, beauty and music trends are presented. From small, boutique fashion designers to world-famous fashion houses to high street fashion – there is something for everyone. For those who want to go home with a new wardrobe, this is the place to go. It really is possible to 'shop until you drop'!

However, many people go simply to absorb the atmosphere, enjoy the shows and discover the latest fashionable style trends. Hair and make-up demonstration shows provide new ideas for how to refresh your look. The exhibition attracts industry experts who can provide tips on fashion, beauty and lifestyle. It is a unique opportunity to be able to talk to leading industry professionals.

The show also attracts top models and model agencies – and, of course, beautiful people who are hoping to become models. Many models have been 'spotted' at the Clothes Show Live – for example, the famous model Erin O'Connor was noticed by model agencies at the exhibition.
