

Add was or were in the blanks.

When i \_\_\_\_\_ younger i always played with my friends.

We \_\_\_\_\_ a group of 3 boys that hung out together.

Our leader \_\_\_\_\_ Ragnar, a tall blonde boy from a good family.

He \_\_\_\_\_ always ready to be naughty, but so \_\_\_\_\_ we.

There \_\_\_\_\_ also Siggie, bit fat but strong like an ox, he \_\_\_\_\_ the protector of the group.

I \_\_\_\_\_ the smallest in the group and i was lucky that the other guys \_\_\_\_\_ bigger than me cos we needed big strong guys when we \_\_\_\_\_ playing. One day when we \_\_\_\_\_ playing in the cliffs Ragnar fell and broke his leg. We \_\_\_\_\_ so scared cos we \_\_\_\_\_ far away from town. Cos i \_\_\_\_\_ the smallest i \_\_\_\_\_ also the fastest so i was picked by the others to go get help. I ran so fast to town all the way to the police station.

There \_\_\_\_\_ only two police officers there, but after they heard my story they rushed to the garage \_\_\_\_\_ they kept there police cars, jumped in and drove so fast with the blinking lights on.

I \_\_\_\_\_ sitting in the back on the way to my friends.

When we \_\_\_\_\_ almost at the cliffs we saw Siggie walking down the road and he \_\_\_\_\_ carrying Ragnar. So the police stopped helped the boys into the car and then we \_\_\_\_\_ on the way to the hospital. Ragnar \_\_\_\_\_ there for two days and than got to go home where we \_\_\_\_\_ waiting for him ready to throw a welcome home party.

The End
