

Can you use forces to escape the baddies?

			
I will use the trainers	I will use...	I will use the rope	I will use the remote control
Because...	Because less friction will make me move quicker	Because...	Because...

How to be successful!

Use each thing in your rucksack 1 time

Use at least **one force** in your reason why (push/pull/more friction/less friction)

Use capital letters and full stops (A.)

I will use...	I will use...	I will use the strength potion	I will use...
Because I can pull it to hit the baddies with a rock.	Because less friction will help me to slide down quicker	Because...	Because I need lots of friction to hold the rope
