

"Always"

This Romeo is bleeding
But you can't see his _____
It's nothing but some _____
That this old dog kicked up

It's been _____ since you left me
Now I'm drowning in the flood
You see I've _____ been a fighter
But without you I give up

Now I can't sing a love ****
Like the way it's meant to be
Well, I guess I'm not that ****
anymore
But, baby, that's just me

And I will _____ you, baby, always
And I'll be there _____ and a day,
always
I'll be there 'til the _____ don't
shine
'Til the heavens burst and the words
don't *****
And I know when I die,
You'll be on my *****
And I'll love you always

Now your pictures that you left behind
Are just _____ of a different life
Some that made us laugh, some that
made us _____
One that made you have to say

What I'd give to run my fingers
through your hair
To touch your lips, to hold you

When you say your prayers, try to
understand
I've made _____, I'm just a man

When he holds you close, when he
pulls you *****
When he says the words you've been
needing to hear
I'll wish I was him 'cause those words
are mine
To say to you 'til the end of _____

And I will ***** you, baby, always
And I'll be there ***** and a day,
always

If you told me to _____ for you
I could
If you told me to die for you
I _____
Take a look at my face
There's no price I won't pay
To say these words to you

Well, there ain't no luck
In these loaded dice
But, baby, if you give me just one
more _____
We can pack up our old dreams and
our old lives
We'll find a place where the sun still

And I will **** you, baby, always
And I'll be there ***** and a day,
always
I'll be there 'til the stars don't shine
'Til the heavens burst and the words
don't _____
And I know when I die,
You'll be on my _____
And I'll love you, always

(**** = repeated words)
