"As long as you love me"

by Backstreet Boys

Although loneliness has always been a friend of mine
I'm leavin' my life _____
People say I'm crazy and that I am blind
Risking it all in a glance
And how you _____ blind is still a mystery
I can't get you out of my head
Don't care what _____ in your history
As long as you're here with me

(Chorus) I don't care who you are
Where _____
What you did
As long as you love me
Who you are
Where you're from
_____ what you did
As long as you love me

Every little thing that you _____ and done
Feels like it's deep within me
Doesn't really matter if you're on the run
It seems like we're _____

(Chorus)

I've tried to hide it so that _____
But I guess it shows
When you _____
What you did and where you're comin' from
I don't care, as long as you love me, baby

(Chorus) Repeat
