DIPHTHONG OU AND OW

Read the following text. Use the words from the box to complete the gaps. You cannot repeat words.

outside - sound - sunflower - crown - plow **powder - cows - owl - loudly - clouds**

There once was a beautiful kingdom in the outsides of Townsville. A new king would soon get his _____ at the most prestige ceremony.

On the day of the event the sky was brightly blue colored and the _____ were as puffy and white as they could be. The king appeared at the balcony of his castle. The crowd applauded _____ at their new ruler. Flower girls prepared a _____ ornament to decorate the king's table at the fancy dinner. So many guests had been invited that only a few men had stayed _____ the castle guarding the king's palace. Suddenly, they heard a strange _____ coming from the garden. The guards were so nervous they had to use _____ on their hands not to drop their swords.

They cautiously walked towards the bushes when appeared the most unthinkable creatures: _____! Mooing away at the guards eating grass as if nothing important was going on. The guards could not believe their eyes at the sight of these animals just wandering around the garden. Between the king's coronation and the unexpected visit from the farmers' cattle, this was a night to remember!
