

# The legend of Saint George

Once upon a time, there was a village on the top of a big mountain.

The king and his daughter, the princess, lived in a beautiful castle, near the village.

There was also, a big and green dragon. He lived in a cave, near the village. He was very bad. He wanted to eat the princess.

The dragon was very hungry and said to the princess: "I'm hungry. I'm going to eat you!"  
 "Help! Help! Saint George, help me, please! I'm afraid of the dragon!"

And Saint George arrived with his white horse, holding a sword and a shield.

Stop bad dragon, I'm not afraid of you! And... snek snak! The dragon was covered in blood.

From dragon's blood a beautiful red rose was born. Saint George gave this rose to the princess.
