REVIEW OF *SPIDERMAN* BY ALEX, 11 YEARS OLD.

¹ I saw the film *Spiderman* last night.

The story was about a school student called Peter Parker.

² He liked a girl called MJ (Mary Jane). But she liked a different boy.

³ Peter started to have special powers and then MJ saw him. But he was scared and at first, he didn't talk to her. Then ⁴ he did lots of things for her.

⁵ It was a good film and ⁶ I liked the actors. I loved Willem Dafoe. ⁷ He was the Green Goblin in the film. Kirsten Dunst was good too. Spiderman had an amazing red costume and he did a lot of flying – this was great.
