Read the following email and complete it by choosing the appropriate option in the chart below

**(a, b, c)**

Dear Alex

I want to tell you about an app that is becoming more and more useful for English teachers and language translators. Nowadays, due to the online classes, teachers and students like

1. \_\_\_\_\_ advantage of the different benefits that internet and technology provide to us. This website called LINGUEE helps to 2. \_\_\_\_\_ the meaning of some unknown words in texts, or vice versa, if I need 3. \_\_\_\_\_ the English form of any word, it helps 4. \_\_\_\_\_ you the different possibilities you have.

5. \_\_\_\_\_ the app is going to be very useful, it is one of the unique apps that works even offline. It is suggested 6. \_\_\_\_\_ this app in your mobile phone, to get access the dictionaries. Another 7. \_\_\_\_\_ of this website is 8. \_\_\_\_\_ number of language pairs, you can see how this work is attached to a context 9. \_\_\_\_\_ if this is the meaning and the use you are looking for.

Finally, there are not many disadvantages in this website and the app, of course, it will be difficult 10. \_\_\_\_\_ at the beginning, however, with a little of effort and practice, it is going to be an excellent tool to your English tasks.
