

# DRIVERS LICENSE - OLIVIA RODRIGO

1. Listen to the song and complete the blanks with the words from the box.

I got my driver's license last \_\_\_\_\_  
Just like we \_\_\_\_\_ talked about  
'Cause you were so excited for me  
To finally \_\_\_\_\_ up to your house  
But \_\_\_\_\_ I drove through the suburbs  
Crying 'cause you weren't \_\_\_\_\_  
And you're probably with that blonde girl  
Who \_\_\_\_\_ made me doubt  
She's so much older than me  
She's \_\_\_\_\_ I'm insecure about  
Yeah, today I drove through the \_\_\_\_\_  
'Cause how could I ever love someone else?  
And I know we weren't \_\_\_\_\_ but I've never felt  
this way for no one  
And I just can't \_\_\_\_\_ how you could be so okay  
now that I'm gone  
Guess you didn't mean what you wrote in that  
\_\_\_\_\_ about me  
'Cause you said \_\_\_\_\_, now I drive alone past  
your street  
And all my friends are \_\_\_\_\_  
Of hearing how much I miss you, but  
I kinda feel \_\_\_\_\_ for them  
'Cause they'll never know you the way that I do, yeah  
Today I drove \_\_\_\_\_ the suburbs  
And pictured I was driving home to you  
And I \_\_\_\_\_ we weren't perfect  
But I've \_\_\_\_\_ felt this way for no one, oh  
And I just can't imagine how you could be so  
\_\_\_\_\_, now that I'm gone  
I guess you didn't mean what you wrote in that  
song about me  
'Cause you said forever, now I drive alone past your  
\_\_\_\_\_  
\_\_\_\_\_ lights, \_\_\_\_\_ signs  
I still see your face in the \_\_\_\_\_ cars, front yards

Can't drive past the places we used to go to  
'Cause you know I still love you, babe  
Sidewalks we crossed  
I still hear your \_\_\_\_\_ in the traffic, we're laughing  
Over all the noise  
God, I'm so \_\_\_\_\_, know we're through  
You know I still love you, babe  
I know we weren't perfect but I've never felt this way for  
no one  
And I just can't imagine how you could be so okay,  
now that I'm gone  
I guess you didn't mean what you wrote in that song  
about me  
'Cause you said forever, now I drive alone past your  
street  
Yeah, you said forever, now I drive alone past your  
street
