

Close up- Unit 4 : Writing a Story

Seven sentences have been removed from the article. Choose from (A-G) to fit each gap.

A girl was walking home one day. Her name was Anna and her pet dog, Bablu was with her. It was going to be dark soon. It had been a long day and she was quite exhausted.

Suddenly her dog started barking furiously, clenching and flashing his white and sharp teeth. She followed his gaze but saw nothing except a long, empty endless road. She tried to pull her dog and start walking but it stopped and barked.

Anna looked around and still saw nothing but her whole body shivered. An eerie feeling ran down through her spine. She stood up, took the lease and ran with her dog. She ran like a bat out of hell. Oddly, although she was running, she realized that they had not gotten anywhere.

They did not know what to do. So the girl hugged her dog and sat down in the middle of the road, crying for life.... The next day when she woke up, she was in her bed. Then she came to know that one man and his dog were murdered on that exact scary spot where she fell on that haunted road!

A	They were in the same spot.
B	Out from nowhere, there was a mighty strong tap on her back that she fell to the ground.
C	Her dog and her parents were beside her.
D	His dark shinning eyes were staring at something ahead
E	It was already late in the evening and strangely the village road seemed to be deserted.
F	There was someone or something else with them but invisible
G	Her steps were slow and heavy.
