

FEELINGS

Put the words in the right place.

When you feel furious, you or blush.

People when they are bored or sleepy.

When your cheeks go red, you .

I was really when I opened the door and saw all my relatives in my house. They cried, "Happy Birthday!"

I'm always very before my Maths test.

When people are scared or nervous, their hands .

When I get a bad mark, I feel .

When you get into an uncomfortable situation, you feel .

You your eyebrows when you are surprised.

To be means to be very angry.

When you are confused, you your forehead or chin.

When you don't understand something, you feel .

People and cry when they are upset.

People usually feel when they get presents.

When you have nothing to do, you feel .
