GLI SCHIERAMENTI

1 Scrivi nelle caselle il numero dei disegni di ogni riga e di ogni colonna. Completa, poi, le due addizioni e le due moltiplicazioni.

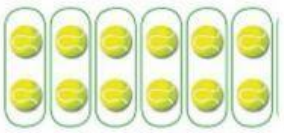

□ × □ = □

Numero colonne □

4 dinosauri in ogni colonna ripetuti per 3 colonne

Operazione: □ x □ = □

Numero colonne □

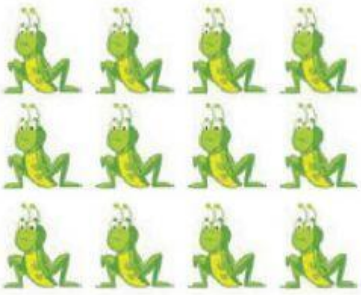

.... x .... = ...

colonne □

righe □

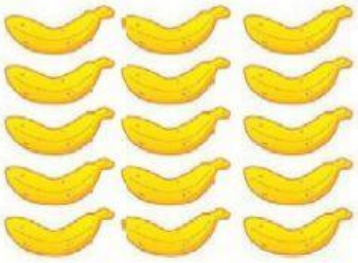

.... × .... = ...

colonne □

righe □

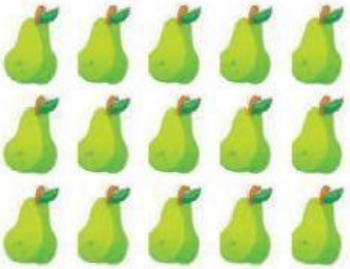

..... × ..... = ...
