

Beggin'

[Madcon](#)

Oh

----- your loving hand out, baby

I'm beggin'

Beggin', beggin' you

Put your loving hand out, baby

Beggin', beggin' you

Put your loving hand out, darling

Riding -----, when I was king

----- it hard and fast, 'cause I ----- everything

----- away, wonderin' then

But easy come and easy go

And it ----- end

So why every time I ----- you let me go?

Every time I -----, you get me low

Every time I -----, you let me know

But I ----- that seed, just let me grow

I'm on my ----- while I'm (beggin')

'Cause I don't want to lose (you)

I got my arms all -----

I hope that my heart gets -----

Matter of fact, girl, I'm beggin' (beggin', beggin')

Beggin', beggin' you

Put your loving hand out, baby

Beggin', beggin' you

Put your loving hand out, darling

I need you (yeah) to ----- (yeah, oh)

Tried so hard to be your man (hey)

The kind of man you want in the end (oh, oh)

Only then can I begin to live again

An empty shell, I ----- to be

----- of my life was hangin' over me

A ----- man that I don't know

Won't even stand the devil's chance to ----- my soul

What we doing? What we -----?

Why the bottom? Why the -----?

Why we got good shit, don't ----- it?

Why the feel for the need to ----- me?

You're on a runaway track from the good

I want to paint in a picture telling where we could be at

Like the heart ain't attached where it should

You done give it away, I had it 'til you took it back

But I keep walking on, keep opening doors

Keep hoping for that the call is yours

Keep hoes on hold

'Cause I don't want to live in a broken home

Girl I'm beggin' (beggin', beggin')

Beggin', beggin' you

Put your loving hand out, baby

Beggin', beggin' you
Put your loving hand out, darling

I'm ----- hard (yeah)
To hold my own (to hold my own)
Just can't make it
All alone (all alone)

I'm holding on (yeah)
Can't fall back (no, I'm fallin')
I'm just a con (yeah)
'Bout to fade to black

And I ----- come home
You ----- and I can't come home
You call you can't come home
You call and I can't come home
Can't come home, can't come home
Can't come home (can't come home)

Beggin', beggin' you
----- your loving hand out, baby
Beggin', beggin' you
Put your loving hand out, darling

Beggin', beggin' you
Put your loving hand out, baby
Beggin', beggin' you
Put your loving hand out, darling
