

## Making future arrangements

### LISTENING

**3.9** American academic Jake Bevan has arrived in the UK for a conference. He phones an ex-girlfriend, Sarah. Listen to their conversation. What's the only time they can meet? Write *meet Sarah* in Jake's phone calendar on the right.

Listen again and complete the calendar with the appointments from the list. There are two you don't need.

- go to conference party
- have dinner with Mark
- have lunch with David
- give my talk
- go to talk on climate change
- have breakfast meeting

**3.10** Listen to Jake and Sarah. Do you think they're going to meet again? Why (not)?
