 - adds
 - add
 - added
- Next, ... the dough.
 - Roll
 - Rolling
 - Rolls
 - rolled

Text for number 16 - 20!

Hi, I'm Caleb. I have a great recipe for pizza. First, heat the oven. Pizza must be cooked at high heat. Next, roll the dough. It should be thin and flat. Then, stir the tomato sauce and put it on the dough. After that, add meat and vegetables. Finally, bake the pizza in the oven. Let it cook for 20 minutes. Oh, There's one more step. Most importantly, eat your pizza!

16. What do you do first?
A. roll the dough B. bake the pizza C. eat pizza D. heat the oven
17. What do you do next?
A. heat the oven B. eat pizza C. roll the dough D. bake the pizza
18. What do you do then?
A. add meat C. stir the tomato sauce
B. add vegetable D. cook for 20 minute
19. What do you do after that?
A. add meat and vegetable C. stir tomato sauce
B. bake the pizza D. heat the oven
20. What do you do finally?
A. stir the tomato sauce C. bake the pizza
B. roll the dough D. add vegetable
