

Feel

(Robbie Williams)

Come and my hand
I wanna contact the
Not sure I understand
This I've been given
I sit and talk God
And just laughs at my plans
My head a language
I don't understand

I just wanna
Real feel the home that I live in
'Cause I got too much life
through my veins
to waste

I don't wanna die / day
But I ain't keen on living / live either
Before I fall on / in love
I'm preparing to leaving / leave her
Scare myself / yourself to death
That's why I keep on running / run
Before I've arrived
I can see myself coming / to come

I just wanna feel
Real love feel the home / house that I live in
'Cause I got too much live / life
Running through my veins
Going to waste / waist
