The image shows a web application window titled "Kos Overhed" (Kos Overhead). The window has a light purple background with decorative elements: a yellow sun and two grey pencils on the left, and a purple cloud with white concentric circles on the right. The title "Kos Overhed" is in a large, purple, handwritten-style font. Below the title are three input fields, each with a label and a small purple input box. The first field is labeled "Bil Elektrik : RM 2.00 x 10 hari =" and the second is labeled "Bil Air : RM 1.00 x 10 hari =". The third field is labeled "Jumlah =" and is preceded by a purple mouse cursor icon. The window has a standard header with navigation arrows, a settings gear, and window control buttons (minimize, maximize, close).
