picnic

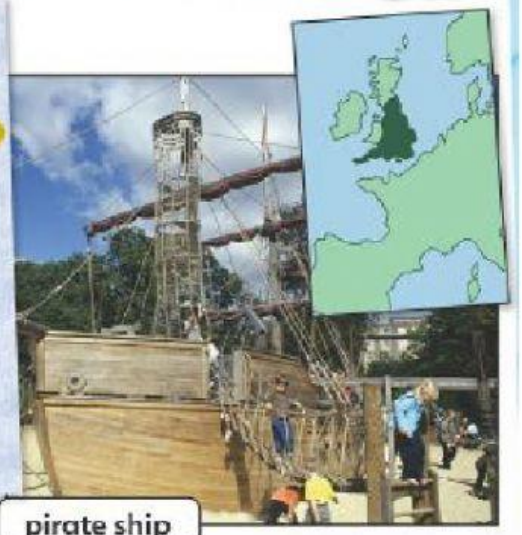

Hi, my name's Brendan. I live in New York in the USA. There's an enormous park here called Central Park. I go rollerblading in the park with my dad and my sister. There are lots of different routes but we always finish at the Chess House. I like playing chess. I don't always win, but it's fun. Then we go fishing in the lake. In the summer we have a picnic on the grass. It's a great place!

lake

Hello, I'm Mark. I'm English. Hyde Park is a big park in the centre of London. I go there at the weekends with my mum and my brother. There's a lake in the park called the Serpentine. We go swimming in the lake in the summer. The water is cold, but I like it.

Near Hyde Park there's a fantastic playground. It's got an enormous pirate ship, Indian tents and swings and slides, of course! I love playing on the pirate ship!
