

## Part 1

### Questions 1 – 8

You will hear eight short sentences. For each one, choose the best reply.  
You will hear each sentence twice.

---

- 1      **A** What's it like?  
      **B** How are you?  
      **C** What?
  
- 2      **A** You didn't!  
      **B** Why not?  
      **C** Yes, it was!
  
- 3      **A** There's a coincidence.  
      **B** You won't believe what I did.  
      **C** I wouldn't like to do it.
  
- 4      **A** Sometimes.  
      **B** Great!  
      **C** Me, too!
  
- 5      **A** Anyway, I didn't go.  
      **B** In the end, I didn't go.  
      **C** On top of that, I didn't go.
  
- 6      **A** No way!  
      **B** No, thank you.  
      **C** No, she doesn't!

- 7      **A**    Anyway, I'll be back soon.  
       **B**    The next thing I knew, I woke up in hospital.  
       **C**    You'll never guess what happened to me last week.
- 8      **A**    Thank you very much.  
       **B**    In the end, she did.  
       **C**    Sounds good.
-

- 

### Part 3

#### Questions 17 – 24

Read the sentences about friendships and people. What are the missing words?  
The first letter is already there. There is one space for each other letter in the word.

For questions 17 – 24, write the words.

17 I have an aunt in Australia and I also have r \_\_\_\_\_ in New Zealand.

18 Give me your phone number and I'll r \_\_\_\_\_ you up this evening.

19 Helen's parents gave her a lot of s \_\_\_\_\_ – both with money and advice – when she was at university.

20 I live with my parents and my grandparents – three g \_\_\_\_\_ in one house.

21 That man over there is a s \_\_\_\_\_ I don't know him and I have never met him before.

22 Paul's the y \_\_\_\_\_ in his family – he has two older sisters.

23 It's interesting to get to know people who come from a different b \_\_\_\_\_ to your own.

24 This is my n \_\_\_\_\_ Sarah – she's the daughter of my sister.

### Part 4

#### Questions 25 – 32

Read a woman's blog about growing up. Choose the best answer (**A**, **B**, **C** or **D**) for each space.

---

## My sister and I

My sister and I are twins and we are very good friends. We look the same and, when we were younger, we always (25) ..... wear the same clothes. We were hardly (26) ..... apart. My sister's name is Amy and I'm Alice.

We (27) ..... a lot of fun at school because our teachers didn't (28) ..... to know which of us was which. When a teacher asked me a question, Amy often answered for me. I was happy about that because Amy always (29) ..... better at school than me. I was usually only just beginning my homework (30) ..... the time she had finished hers.

We (31) ..... to the same university at the same time but chose different subjects. Amy studied maths and I did psychology. At one point, I (32) ..... to become a journalist but then Amy decided to become a teacher and I thought, 'That's a great idea'.

Now we're both teachers. We don't teach at the same school but we both have twins in our classe. Isn't that strange?

- 25    A    did                      B    were                      C    had                      D    used to
- 26    A    never                      B    often                      C    ever                      D    always
- 27    A    had had                      B    had                      C    were having                      D    have
- 28    A    use                      B    used                      C    usually                      D    using
- 29    A    gets on                      B    was getting on                      C    had got on                      D    got on
- 30    A    by                      B    on                      C    until                      D    after
- 31    A    were going                      B    went                      C    used to go                      D    had gone
- 32    A    plan                      B    was planning                      C    am planning                      D    used to plan

### Part 5

#### Questions 33 – 40

Here are some sentences about families and relationships.

For each question, complete the second sentence so that it means the same as the first.

**Use no more than three words.**

- 33    They look different now, but my friend and her sister looked the same when they were young.

**My friend and her sister..... look the same when they were young, but they don't now.**
