

Frogs can grow very big.

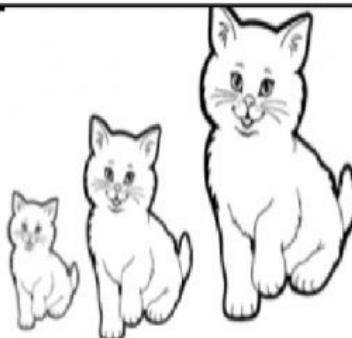

Mom will trim or cut my hair.

All the frogs like to grin.

The brim of that hat is not green.

That frog will cross the street.

Run away, the dog will grab you and eat you.

That frog looks like a truck.

The frog will drive the truck

This tree will grow very big.

My small cat will grow very big, too.

Fran loves her new green dress.

Grass can grow very tall.
