Next to me

You find him drinking at the tables
Rolling dice and staying out 'til three
You ever find him being unfaithful
You find him, you find him next to me
You find him trying to chase the devil
For money, fame, for power, out of grief
You ever find him where the rest go
You find him, you find him next to me
Next to me, oh
Next to me, oh
Next to me, oh
You find him, you find him next to me
