

Next to me

You _____ find him drinking at the tables

Rolling dice and staying out 'til three

You _____ ever find him being unfaithful

You _____ find him, you _____ find him next to me

You _____ find him trying to chase the devil

For money, fame, for power, out of grief

You _____ ever find him where the rest go

You _____ find him, you _____ find him next to me

Next to me, oh

Next to me, oh

Next to me, oh

You _____ find him, you _____ find him next to me
