RyLee's Anagram

eat -> tea!

Do you know what an anagram is? RyLee just learned it from school. An anagram is a new word made by rearranging the letters from the existing word. Do you want to try? Remember you cannot add or reduce the number of letters. Type the anagram and click onto the correct picture for each word. The first one has been done for you as an example.

bare	bear	 	mile		 
foal		 	fired		 
heart		 	care		 
lived		 	pins		 
silent		 	pots		 
melon		 	lase		 
act		 	shore		 
lamp		 	break		 

Bonus Question!

leery
